## **Notable Projects**

*Below are a select group of projects that I've worked on. Throughout my filmmaking career, I've learned and grown from each one of these projects. As my passion has grown, so has my skill and desire to make more films and tell my story. In addition, I have an online portfolio via Vimeo that has a selection of other projects.*

### **Rico - Writer/Producer/Director - 2021**

*A character study surrounding a slacker's quest to buy a box of rice for his wet phone; currently in post production.*

### **Vortex - Producer - 2020**

*An alienated man battles an inner struggle in which he'll have to figure out whether there's a strange presence haunting him or if it's just all inside his head; Winner of Best Horror Short at the Independent Shorts Awards, Winner of Best Production Design at the IndieX Film Festival.*

### **McFired - Writer/Producer/Director - 2020**

*A mockumentary about what actually happened to the McDonald's mascots like Ronald McDonald, Grimace, and much more; viral on Youtube.*
